## ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore (Mrs. BIGGERT) (during the vote). Members are reminded that there are 2 minutes remaining in this vote.

□ 1336

Messrs. DUNCAN, SOUDER and SHAYS changed their vote from "aye" to "no."

So the motion to recommit was rejected.

The result of the vote was announced as above recorded.

## PERSONAL EXPLANATION

Mr. ABERCROMBIE. Madam Speaker, in accordance with a leave of absence approved earlier today, I was unavoidably absent from the House. Had I been present, I would have voted as follows:

Rollcall: 490, Previous Question on the rule for S. 878, "no"; 491, Rule for consideration of S. 878, "no"; 492, Simpson Amendment to S. 878, "no"; 493, Motion to recommit S. 878 with instructions, "yes."

The SPEAKER pro tempore. The question is on the passage of the bill.

The bill was passed.

The title of the bill was amended so as to read: "A bill to create additional Federal court judgeships."

A motion to reconsider was laid on the table.

## ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, the Chair

will postpone further proceedings today on motions to suspend the rules on which a recorded vote or the yeas and nays are ordered, or on which the vote is objected to under clause 6 of rule XX.

Record votes on postponed questions will be taken later today.

# RECOGNIZING SPIRIT OF JACOB MOCK DOUB AND EXPRESSING SENSE OF CONGRESS THAT "NATIONAL TAKE A KID MOUNTAIN BIKING DAY" SHOULD BE ESTABLISHED IN JACOB MOCK DOUB'S HONOR

Mr. BARTON of Texas. Madam Speaker, I move to suspend the rules and agree to the concurrent resolution (H. Con. Res. 480) recognizing the spirit of Jacob Mock Doub and his contribution to encouraging youth to be physically active and fit and expressing the sense of Congress that "National Take a Kid Mountain Biking Day" should be established in Jacob Mock Doub's honor.

The Clerk read as follows:

## H. CON. RES. 480

Whereas, according to the Centers for Disease Control and Prevention, obesity rates have nearly tripled in adolescents in the United States since 1980;

Whereas overweight adolescents have a 70 percent chance of becoming overweight or obese adults;

Whereas research conducted by the National Institutes of Health indicates that while genetics do play a role in childhood obesity, the large increase in childhood obesity rates over the past few decades can be traced to overeating and lack of sufficient exercise;

Whereas the Surgeon General and the President's Council on Physical Fitness and Sports recommend regular physical activity, including bicycling, for the prevention of overweight and obesity;

Whereas Jacob Mock "Jack" Doub, born July 11, 1985, was actively involved in encouraging others, especially children, to ride bicycles;

Whereas Jack Doub, an active youth with an avid interest in the outdoors, was introduced to mountain biking at the age of 11 near Grandfather Mountain, North Carolina, and quickly became a talented cyclist;

Whereas Jack Doub won almost every cross-country race he entered for two years, and between the ages of 14 and 17 became a top national-level downhill and slalom competitor;

Whereas Jack Doub placed second in junior expert dual slalom at the 2002 National Off Road Bicycling Association's National Championship Series at Snowshoe Mountain;

Whereas Jack Doub died unexpectedly from complications related to a bicycling injury on October 21, 2002;

Whereas Jack Doub's family and friends have joined, in association with the International Mountain Bicycling Association, to honor Jack Doub's spirit and love of bicycling by establishing the Jack Doub Memorial Fund to promote and encourage children of all ages to learn to ride and lead a physically active lifestyle;

Whereas the International Mountain Bicycling Association's worldwide network includes 32,000 individual members, more than 450 bicycle clubs, 140 corporate partners, and 240 bicycle retailer members who coordinate

more than 1,000,000 volunteer trailwork hours each year and have built more than 5,000 miles of new trails; and

Whereas the International Mountain Bicycling Association has encouraged low-impact riding and volunteer trailwork participation since 1988: Now, therefore, be it

*Resolved by the House of Representatives (the Senate concurring), That Congress—*

(1) recognizes the health risks associated with childhood obesity;

(2) recognizes the spirit of Jacob Mock Doub and his contribution to encouraging youth of all ages to be physically active and fit, especially through bicycling;

(3) expresses its sense that "National Take a Kid Mountain Biking Day" should be established in honor of Jacob Mock Doub; and

(4) encourages parents, schools, civic organizations, and students to promote increased physical activity among youth in the United States.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Texas (Mr. BARTON) and the gentleman from Ohio (Mr. BROWN) each will control 20 minutes.

The Chair recognizes the gentleman from Texas (Mr. BARTON).

#### GENERAL LEAVE

Mr. BARTON of Texas. Madam Speaker, I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks and include extraneous material on H. Con. Res. 480.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Texas?

There was no objection.

Mr. BARTON of Texas. Madam Speaker, I yield myself such time as I may consume.

Madam Speaker, I rise to support H. Con. Res. 480, authored by my good friend, the gentleman from North Carolina (Mr. BURR), to recognize the spirit of Jacob Mock Doub and his contribution to encouraging youth to be physically active and fit.

Jacob Doub, a resident of North Carolina, died unexpectedly from complications related to a bicycling injury 2 years ago. His spirit, however, lives on as his family and friends have recently joined with the International Mountain Bicycling Association to establish the Jack Doub Memorial Fund to promote and encourage children of all ages to learn to ride a bike and to lead a physically active lifestyle.

I understand that Jack's vivacious attitude toward mountain biking was irrepressible. His energy and drive to be a great mountain biker is an inspiration to all of us. With obesity rates on the rise, we all need to take personal responsibility and do more to increase physical activity to improve our health.

Madam Speaker, I would urge my colleagues to adopt this resolution.

Madam Speaker, I reserve the balance of my time.

Mr. BROWN of Ohio. Madam Speaker, I yield 5 minutes to the gentleman from Oregon (Mr. BLUMENAUER), the sponsor of the resolution.

Mr. BLUMENAUER. Madam Speaker, I must correct the record. I am not a

sponsor of the bill. It was introduced by the gentleman from North Carolina (Mr. BURR) and the gentleman from Massachusetts (Mr. MARKEY), though; but I do celebrate the spirit in which it is offered to recognize the contributions in terms of memorializing the notion of making sure our youth are physically fit and active and expressing the sense of Congress that National Take a Kid Mountain Biking Day should be established in Mr. Doub's honor.

I think it is important for us to move in this direction in part to take someone who loved the spirit, the challenge, the physical activity of cycling and to translate that to promote and encourage children of all ages to learn to ride and lead a physically active lifestyle.

This is serious business. The committee has been working throughout this session of Congress, focusing on the needs of fitness for our youth. The notion of childhood obesity, the rates have nearly tripled in adolescents in the United States since 1980, and we know the research indicates that overweight adolescents have a 70 percent chance of becoming overweight or obese as adults and the range of physical problems that are associated with it.

That is why the Surgeon General and the President's Council on Physical Fitness and Sports recommend regular physical activity, including bicycling, for the prevention of overweight and obesity, as well as general health promotion.

Mountain biking is a growing activity around the United States. In my State of Oregon, over 400,000 people participated in mountain biking last year. Bike Magazine identified the area around Hood River, Oregon, just to the east of my district, as some of the finest singletrack in the mountain bike universe, lying within an 80-mile radius of Hood River, incorporating all of the area that I represent.

It is important not just to fitness and recreation. It is also important to the economy.

Overall, bicycling and mountain bike tourism is important to local and State economies. We are finding across the country cycling activities are gathering tourists for organized rides, for touring and for mountain biking. In our State, tourism is a \$6.1 billion industry, and we are watching as bicycling is becoming an ever-increasing part of that effort, programs like Cycle Oregon that bring together 2,000 people from around the country every year.

It also is the source of a growing industry just in terms of cycle manufacturing and sales. There are thousands of small businesses across America that are part of the bicycling industry and specifically mountain biking. We just found this last year in Oregon the Chris King Precision Components relocated from California to Oregon because of the local support for mountain biking.

□ 1345

And they join one of dozens of companies that are a part of that effort, creating a critical mass in terms of the component, manufacturing, sales and service.

For all of these reasons, in terms of celebrating the spirit of mountain biking, the importance of promoting fitness, particularly among our youth, because it is so important in areas like tourism and small businesses, I rise in support of this resolution and urge my colleagues not just to support it, but find ways that they can translate this back home to their communities to make a difference.

Mr. BROWN of Ohio. Madam Speaker, I have no further requests for time, and I yield back the balance of my time.

Mr. BARTON of Texas. Madam Speaker, I yield myself such time as I may consume to urge all my colleagues to support this. This is a good piece of legislation. It recognizes an individual in the district of the gentleman from North Carolina (Mr. BURR), who died in a bicycling accident. It also recognizes a very helpful activity.

I have a mountain bike, although in Texas you would have to call it more of a prairie bike or a hill bike; but this is a good thing, and I hope we can pass it unanimously.

Madam Speaker, I yield back the balance of my time.

The SPEAKER pro tempore (Mrs. BIGGERT). The question is on the motion offered by the gentleman from Texas (Mr. BARTON) that the House suspend the rules and agree to the concurrent resolution, H. Con. Res. 480.

The question was taken; and (two-thirds having voted in favor thereof) the rules were suspended and the concurrent resolution was agreed to.

A motion to reconsider was laid on the table.

#### PATIENT NAVIGATOR OUTREACH AND CHRONIC DISEASE PREVENTION ACT OF 2004

Mr. BARTON of Texas. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 918) to authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services, as amended.

The Clerk read as follows:

H.R. 918

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,*

#### SECTION 1. SHORT TITLE.

*This Act may be cited as the "Patient Navigator Outreach and Chronic Disease Prevention Act of 2004".*
